PROFILE

Creative, detail-oriented, and user-focused web designer with strong experience in building responsive and easy-to-use websites using React, Next.js, HTML, CSS, and JavaScript. Skilled in UI/UX design, performance optimization, and cross-browser compatibility, with hands-on experience in real-world projects and client collaboration.

EXPERIENCE

SR.WEB DESIGNER • FEB 2024 – PRESENT

Saasho Technologies Pvt Ltd, Gurgaon

Here I develop, and maintain responsive websites using React, Next.js, HTML, CSS, and JavaScript. Build and improve user interfaces for better usability and performance across devices. Optimize website speed, fix UI issues, and ensure cross-browser compatibility. Collaborate with team members on ongoing projects, updates, and feature improvements. Work with designers and clients to implement requirements and enhance user experience. Manage website updates, testing, and deployment for smooth functionality.

WEB DESIGNER • FEB 2022 – FEB 2024

Weeb Innovation - Delhi

Designed and developed responsive websites using HTML, CSS, JavaScript, and Adobe tools. I worked closely with clients to create visually appealing and user-friendly designs that matched their brand identity. I ensured cross-browser compatibility, optimized websites for fast loading, and focused on mobile-first layouts to improve the user experience on all devices. I also supported UI/UX enhancements based on user feedback and analytics, and managed WordPress CMS updates, plugins, and custom customizations for client websites
